My best friend is ^{my} a classmate. We have been friends for more than 10 years, we grew up together and spent a lot of time with each other. Her name is Arina. She is very funny, active, energetic, caring, honest, reliable, emotional, daring, open, proud and responsive. She is 15 years old.

My friend dreamed of having a pet. So, I decided to organise a surprise for her. I was planning to give Arina a puppy. I wanted to make a surprise for her 15 birthday in the park. We agreed to meet in the park next to the bench. When I showed my best friend the gift, she was very happy, because she didn't expect such a surprise. I was very happy for Arina.

I realized that doing good deeds for others is very cool. After this, I will try to do good more often and give gifts to my loved ~~ones~~ ^{people?} and friends.
